

## **⚠️ Extremely cold weather on the 8th April 2026**

**🕒 Urgency:** Immediate      **⚠️ Severity:** Moderate  
**📍 Certainty:** Observed

**Issued:**

Wed 08 Apr 2026  
06:52

**Effective:**

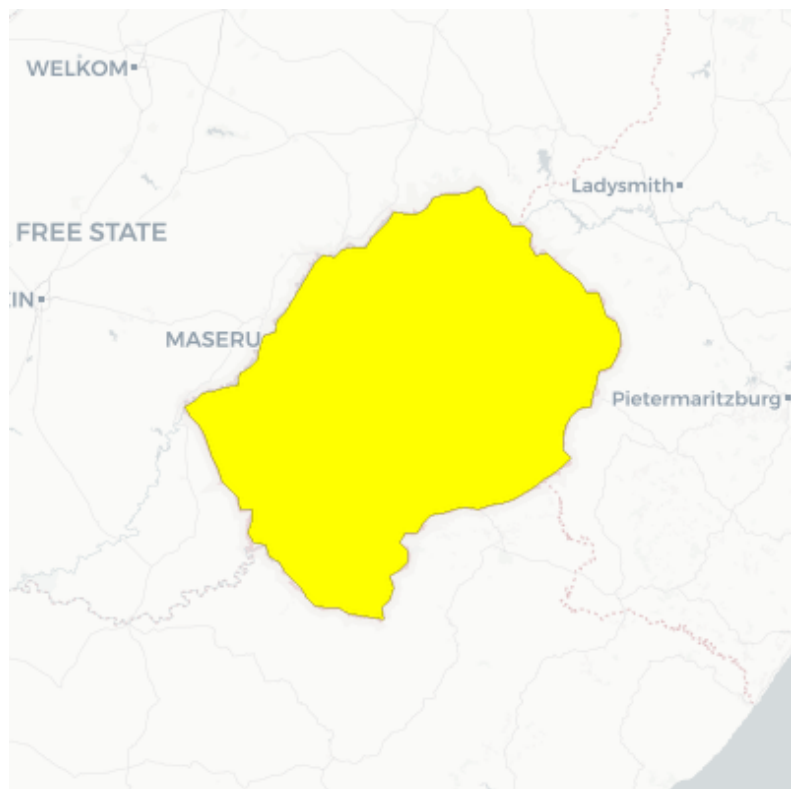

Wed 08 Apr 2026  
06:47

**Onset:**

Wed 08 Apr 2026  
07:00

**Expires:**

Wed 08 Apr 2026  
09:00

**Area:**  
Lesotho

**Description:**

Extremely cold conditions with temperatures below freezing are expected across the whole country of Lesotho on 8 April 2026 from 08:00 to 10:00. Frost and icy conditions may affect roads, livestock, crops, exposed water pipes, and vulnerable people.

**Instruction:**

Residents are advised to dress warmly, limit exposure to the cold, protect livestock and crops where possible, and take extra caution on roads and walkways that may become slippery due to frost or ice.
